The Question Is Often Asked:

“DO YOU BELIEVE IN CHIROPRACTIC?” Nearly every person except those who investigate Chiropractic will say “no,” but one who has tried it will say nothing but “yes.” Why? Because of the results.

In 1910 the Chiropractic profession in America was adjusting only 150,000 people, while in 1924 2,500,000 people were adjusted.

Statistics during the “Flu” epidemic of 1918, in all of the healing professions, were as follows:

Medical doctors lost one patient out of every 16.

Osteopaths, one out of every 127.

Christian Scientists, one out of every 513.

Chiropractic, one out of every 886.

Investigate Chiropractic. Do not listen to people who do not understand the science.

LONG DISTANCE RATES FROM SMITHFIELD, N. C.

The rates quoted below show the application of different classes of telephone toll message service to some nearby and long distant points most frequently called. Rates to over 70,000 other points may be obtained by asking for "Long Distance Operator."

To make a long distance call, call the local operator in the regular way and ask for "Long Distance." When the long distance operator answers give her the name of town or city desired. If you wish to file a Person-to-Person call, give the operator the name of the particular person wanted; in either case, furnish the telephone number desired (if known), otherwise give the firm name or the name and initials of the person under whose name the telephone is listed, and, if possible, the street address. Then give the number of the telephone from which you are calling and your name.

The rates given below are for the initial period. The report charges apply only to person-to-person, appointment and messenger calls which are not completed. Evening and night rates apply only to station-to-station calls.

Service Connection Charges and Charges for Moves and Changes

Experience and careful investigation of the entire subject has demonstrated the fact that certain service connection charges covering to some extent the average cost of the initial expense of establishing service for new subscribers and of furnishing additional facilities to old subscribers should be paid by such subscribers and should not be borne by the entire body of telephone users. Therefore, a uniform schedule has been prepared which embodies rates that should not retard telephone development in any section and will place upon subscribers responsible therefor a portion of the costs incident to such service connections, leaving the balance as a charge on the business generally. This schedule is as follows:

SERVICE CONNECTION CHARGES

1. For Individual and Party Line Service.....\$3.50
2. For each extension station connected with any class of telephone service 3.50
3. For Private Branch Exchange Service the charge for establishing service connection:
 - (a) For each trunk line connecting the Private Branch Exchange with a central office..... 3.50
 - (b) For each telephone connected to the Private Branch Exchange except Operators' Telephone Sets..... 3.50
4. To cover in part Directory, Accounting, Circuit and switchboard expenses in cases where service is established by the use of instrumentalities already in place in the Subscriber's premises and no change is made in the type or location of such instrumentalities, \$1.50.

CHARGES FOR MOVES AND CHANGES

The charges for moves and changes in equipment will be as follows:

1. For moving a telephone set from one location to another on same premises, a charge of \$3.00.
2. For moving any other equipment or wiring from one location to another on same premises, a charge based on the cost of labor and material.
3. For change in type or style of telephone set, a charge of \$3.00.
4. For other changes in equipment or wiring, a charge based on the cost of labor and material.

Instructions and Important Suggestions

LOCAL SERVICE

The term "BUSY", when employed by an operator in answer to your call, does not mean, as is supposed by some subscribers, that the OPERATOR is busy, but means that the LINE called for by you is busy.

ALWAYS CALL BY NUMBER—NOT BY NAME

In making a telephone call, always call by number, not by name. Each digit should be said as clearly as possible and should be pronounced as nearly as possible according to the following examples:

- 0" to be spoken as "OH"—with a long O.
- 1" to be spoken as "WUN"—with a strong N
- 2" to be spoken as "TOO"—with a long T and long OO
- 3" to be spoken as "TH-R-R-EE"—with a slightly rolling R and long E
- 4" to be spoken as "FOER"—one syllable, with a long O
- 5" to be spoken as "FIVE"—with a long I and strong V
- 6" to be spoken as "SIX"—with a strong X
- 7" to be spoken as "SEV-EN"—two syllables
- 8" to be spoken as "ATE"—with a long A and strong T
- 9" to be spoken as "NIEN"—one syllable, with a strong N on the end.

LOOK IN THE DIRECTORY FOR THE NUMBER of the person to whom you wish to talk, and signal the operator in the usual way. Keep only the latest issue of the directory.

WHEN THE OPERATOR REPLIES by saying "Number please?" give your order slowly and distinctly, pronouncing the number by digits. For example: "Seven-Four-Six." This will avert misunderstandings.

WHEN THE OPERATOR REPEATS be sure he has received the order correctly. If the desired line is in use the operator will report, "The line is Busy."

IF THE PERSON YOU ARE CALLING FAILS TO ANSWER WITHIN A REASONABLE TIME or if you wish to attract the operator's attention at any time during a connection, move the hook up and down SLOWLY three or four times.

DO NOT MOVE THE HOOK RAPIDLY, as rapid movement does not give any signal.

ANSWER YOUR TELEPHONE PROMPTLY, otherwise the calling party may tire of waiting and hang up. When holding a line never replace the receiver on the hook, as this will give the operator the disconnect signal.

WHEN YOUR TELEPHONE BELL RINGS do not remove the receiver from the hook until the bell stops ringing. This is particularly important if you are on a duplex or party line.

CALL "INFORMATION" when you wish to know a new telephone number not listed in the directory. Operators can only give you the number requested. They are required to be courteous and considerate under all circumstances. We bespeak for them the same consideration on your part.

CASES OF TROUBLE OR UNSATISFACTORY SERVICE should be promptly reported to "INFORMATION." These reports will receive prompt and efficient attention. We are striving to render a perfect service and suggestions or criticisms are welcomed.

LONG DISTANCE SERVICE

TO MAKE A LONG DISTANCE CALL signal the operator in the usual manner and ask for "Long Distance." The following example shows the proper manner in which to give the call to the Long Distance operator: "This is Three-Two-Six, Mr. Jones, calling Mr. Smith, Eight-Seven-Six, Washington, N. C." The operator will call you when she gets your party.

If the party called has no telephone, the long distance operator will, upon request, and at the risk and cost to the subscriber, endeavor to secure a messenger to send to the party called and ask him to come to a pay station. The charge for this messenger service must be paid by the subscriber, in addition to the regular toll charges, regardless of whether or not the person sent for responds to the messenger's request.

APPOINTMENTS TO TALK AT SOME PARTICULAR HOUR may be made at a small additional charge. To make an appointment call, tell the Long Distance operator you wish to talk at a certain hour.

TOLL MESSAGES MAY BE SENT COLLECT, by telling the Long Distance operator that you wish the toll charged to the telephone you are calling. The operator will ascertain if the called party is willing to accept the charge, and if so will give you the connection.

DIRECTORY ADVERTISEMENT

Every business man today is seeking to reach more prospects, secure additional business, increase prestige and good will.

These explorers are investigating the field of advertising with greater thoroughness than ever before. They realize the necessity for effectively keeping their names and business before the largest possible group of logical buyers at a reasonable cost.

And they are advertising in the Telephone Directory because of its increasing circulation, frequent consultation, and the reasonable rates.

Find out how Telephone Directory Advertising can help your business.

Our local manager will give you any information regarding rates, dates of publication, etc., that you may desire.

GENERAL SUGGESTIONS

DIRECTORY LISTINGS OR OMISSIONS. It is desired that all subscribers shall be properly listed in the directory. Errors or omissions should be promptly reported to the Manager. The Company assumes no liability whatever for damages accruing from such errors.

UNAUTHORIZED USE OF THE TELEPHONE. The use of a subscriber's telephone is limited to the subscriber, his family or employee in his interest. Subscribers have no right to allow its use by other parties. The telephone may be removed if this condition of the contract is disregarded. Subscribers are requested to

refer those desiring the use of the telephone to the nearest PAY STATION.

ATTACHMENTS TO TELEPHONES. Difficulties with the service experienced by some subscribers are due to the use of unauthorized mouth-pieces, ear cushions, so-called sanitary devices, and other such attachments. Every necessary appliance has been furnished by the Company, and if you have a real need we can supply it. Subscribers are earnestly requested to refrain from the use of other apparatus.

TEN DAYS' NOTICE TO MOVE A TELEPHONE. Subscribers wishing the telephone moved from one location to another are requested to give ten days' notice in writing. A nominal charge will be made for moving a telephone or changing the wiring to partially offset the cost of material and labor.

REPORT TROUBLE TO No. 500

TELEPHONE RENTS are due the first of each month and must be paid at the Company's office on or before the 15th of each month or service will be suspended without further notice.

WHEN YOU TELEPHONE, USE "THE VOICE WITH A SMILE"

Answer your telephone by giving your name or telephone number. It is more courteous and will help your SERVICE.

HEAVY AND FANCY GROCERIES—LADIES' HATS

The Man Who Owns His Home

**Is a Better Husband—Worker—Father—Citizen, and a
REAL American**

It should be a matter of personal pride with you to own your home. Pride—in your proved ability to give your family a home of their own. Pride—in the ownership of real property, and ownership that placed you among the bigger men of your community.

A home-owner is a marked man—marked in letters that can't be missed—"Success."

Your family looks to you to give them a home of their own. They know that there is more happiness and comfort in a home of one's own. Let your children grow up in a real "home" atmosphere. Give your wife an opportunity to show you that she can be a business woman and a loving wife and mother at the same time.

OWN YOUR HOME !

We invite those in Johnston County who wish to own homes to take shares with us, comply with the absolutely safe Building & Loan plan of paying in monthly dues, and interest for six and one-half years, and own a home.
